

## **COVID-19 UPDATE**

In alignment with the direction from the Office of the Provincial Health Officer, the College of Dental Surgeons of BC has recommended that all elective and non-essential dental services be suspended immediately. To ensure the safety of our patients and staff, we will be limiting treatment to emergency only. If you have an appointment scheduled, we will be in touch with you regarding rescheduling. Please call the office if you are experiencing a dental emergency (ex. pain, bleeding and swelling) and we will accommodate you as soon as possible.

Thank you for your understanding,
